## **Invitation to the Meeting of the Chairpersons of COSAC**

**Dublin Castle, 12-13 July 2026**

Dublin, 21 May 2026

A Chara,

I am very pleased to invite you to the Meeting of the Chairpersons of COSAC, which will be hosted in Dublin, Ireland on 12 and 13 July 2026 as part of the parliamentary dimension of Ireland's Presidency of the Council of the European Union.

This conference presents us all with an opportunity to come together at this crucial juncture to discuss parliamentary cooperation and democratic resilience in an uncertain world, which will also be an underlying theme of our considerations at the Plenary Meeting in December. The agenda will also focus on the priorities of the Irish Presidency of the Council of the European Union and deal with important preparations for the LXXVI COSAC Plenary later this year.

Please find enclosed the draft programme and practical information to assist you with your preparations for our meeting in Dublin, including details on registration and hotel reservations.

I very much look forward to welcoming you to Dublin.

Is mise le meas,

---

Barry Ward, T.D.

Cathaoirleach of the Joint Committee on European Union Affairs
