

Comisia pentru politică externă Committee on Foreign Policy

**Mr Koen PETERSEN,
Chair of the Committee on Foreign Affairs, Defence and
Development Cooperation of the Senate of the States
General of the Kingdom of the Netherlands**

Dear Mr PETERSEN,

Following the 2025 parliamentary elections, the Republic of Moldova reconfirmed its irreversible path towards EU accession. Despite intense geopolitical pressures, economic challenges and unprecedented Russian interference and hybrid attacks, the citizens of Moldova have once again proven unity in their desire to live in peace, freedom, and prosperity within the European family.

While Russia escalated its efforts to derail our democratic path, our institutions have shown resilience and efficiency in fighting and preventing continued threats. We could not have succeeded without you. I would like to express our deepest gratitude for the EU's tremendous support during these challenging times.

In a regional context full of uncertainties and crises, the Moldova - EU partnership is enduring. It is an example of solidarity and resilience. We need the EU by our side, and we want to contribute to the EU's prosperity and security.

In the spirit of continued partnership and based on our shared fundamental European values, we would like to strengthen our bonds and extend an invitation to you to pay a visit to Moldova at your earliest convenience.

Looking forward to hearing from you and welcoming you to our small country with a big heart. Please accept, dear colleague, the assurances of my highest consideration.
